ACTION TAKEN REPORT ON FEEDBACK

ACADEMIC YEAR: 2021-2022

STAKEHOLDER:	STUDENT
NO. OF RESPONSES:	175

S.NO.	SUGGESTIONS	ACTION TAKEN
1.	Arrange practice/ expert sessions regarding interview preparation and mock interviews	Strengthen placement activity by institute and expert sessions were arranged during this academic year (online/on campus). Institute plans to arrange more such kind of sessions and mock interviews.
2.	Arrange industrial visits to explore the industry for relevant branches	Institute organizes the industrial visit on regular base, to provide student details of on ground field.
3.	Bridge the gap between students training and industrial requirements.	Training provided for faculties through industry collaboration and also they are encouraged to do online certifications, FDP, etc…based on their interest
4.	Provide learning of skill-based courses	Mentors are advised to encourage the students to register in certificate courses (NPTEL, SWAYAM) and value added courses/certificate courses conducted by our institution for improving their skill and knowledge as per their interest.
5.	Provide higher end systems to develop projects for competitions and challenges.	Higher end systems with i5 processors have been provided.

PRINCE Dr. K. VASUDEVAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, Affiliated to Anna University & ISO 9001:2015 Certified Institution)
Medavakkam-Mambakkam Main Road, Ponmar, Chennai-600127

6.	Demand of students to make available books on Small scale industries/skills	Librarian of college was asked to place the order for books on Small scale industries/skills before the commencement of next academic year.
7.	To impart excellence in technical education with ethical values.	Planned to conduct programs like, Developing positive thinking & patience - Capacity building skills programme for students to improve their ethical values.
8.	To cultivate the knowledge of current research in students.	Seminars on continuous improvement process in research were conducted.
9.	Introduction of more industry relevant courses	Industry related courses like Data Analytics, AI and Soft Computing were taken as elective
10.	Motivate the students to improve their coding skills	Various programs are conducted by IIC like decoding and hackathon to improve coding skill among the students.
11.	Placements Need to improve.	IQAC discussed with Training and Placement cell and decided to collaborate with more industry for more campus placement initiative.
12.	Students are sensitized towards cross cutting issues like environment and sustainability, ethics and values etc.	Organizing various activities under NSS like blood donation camp, regular tree plantation, and women self-protection.
